EMMA JACKSON

16th November 2023

Dear Parents and Carers

Please find attached information about Catholic Life of our School.

Our Catholic ethos helps develop each child in School. They can develop the virtues they need to succeed in life and to be a person of excellent character. Our prayer and liturgy helps pupils to understand how they can support each other and causes both locally and internally. It is a way for them to become closer to God, whilst growing and learning together.

We hope you find the information informative and useful.

Yours faithfully

Emma Jackson
Head Teacher
